Electrical Registration/License Application

Application Fee \$ 100.00

Non refundable. It may be applied to the registration fee, if a registration/license is issued.

In order to be eligible for an electrical registration/license in the City of Tuscola, you must apply using this form. You must be at least 18 years old, live or do electrical work in the Tuscola area, prove at least two years apprentice electrical trade experience, and then you must pass a code exam. The exam is open book, 100 multiple choice and true false questions, and a time limit of 3 hours. You may take the exam by appointment only, after receipt and approval of this application. If you pass the exam (70%), and are approved by the City Council, a \$100.00 registration fee per year, and a \$5000 performance bond, with the City of Tuscola named as beneficiary, is required before the license is issued.

Electrical work in the city, and within the city's one and one half mile surrounding jurisdiction, requires a permit and an electrical license (unless you are the owner/occupant of a single-family residence). The city honors other Illinois municipal electrical licenses.
