The cover picture for this year's budget features tennis and basketball courts at Ervin Park. The photos were taken by Rachel Ray, and are used with her permission. The Ervin Park Improvements Project, partially funded through an OSLAD grant from the Illinois Department of Natural Resources, was completed during the budget year 2022. The improvements include creating pickleball courts, resurfacing basketball and tennis courts, and installing upgraded lighting on three ball diamonds. The total cost of the project is estimated at \$656,200, with \$328,100 or 50%, paid through the IDNR OSLAD grant and the remaining from the City's general fund.
